ROPING CATTLE SALE

FRIDAY & SATURDAY, SEPTEMBER 27 & 28, 2024

MARKET REPORT

1,358 HEAD
101 CONSIGNERS
94 ACTIVE BUYERS

Last weekend's market for the September Roping Cattle Sale featured cattle on both days that sold on a strong market with improved demand and excellent buyer representation. The cow sale on Friday had 600 head with good quality, good-aged cows that offered buyers plenty of opportunities to get just what they wanted. Saturday's sale featured 800 ropers/potentials and sold on a strong market all day long. Prices were up on both #1 ropers and potentials. We have one more sale this year scheduled for the middle of November so be sure to get your consignments in now! Inventory numbers are still low so we look for a good market to finish out this year and into next year.
